To: The Shareholders of **HLG**

Dear Sir/Madam,

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

The Company had at the AGM held on 20 November 2017 obtained approval from its shareholders' for the Company and its subsidiaries to enter into Recurrent Transactions. Such approval shall continue to be in full force until the conclusion of the forthcoming Sixteenth AGM unless authority for its renewal is obtained from the shareholders of the Company at the Sixteenth AGM.

On 8 October 2018, the Company announced to Bursa Securities that the Board proposes to seek its shareholders' approval on the Proposed Shareholders' Mandate at the forthcoming Sixteenth AGM.

This Circular has been prepared to provide you with details of the Proposed Shareholders' Mandate and to seek your approval for the Proposed Shareholders' Mandate as contained in the resolution to be tabled at the forthcoming Sixteenth AGM.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Introduction

Paragraph 10.09 of the Listing Requirements stipulates that a listed issuer may seek shareholders' mandate in respect of recurrent related party transactions of a revenue or trading nature which are necessary for the day-to-day operations of the listed issuer and its subsidiaries and are in the ordinary course of business and on terms not more favourable to the related party than those generally available to the public. Where a listed issuer has obtained such a mandate, the requirements of paragraph 10.08 of the Listing Requirements shall not apply to the recurrent related party transactions, which are comprised in the mandate. This means, during the period of validity of the mandate, the obligation to make immediate disclosure, as well as the obligation to procure shareholders' approval shall not apply to the recurrent related party transactions, which are comprised in the mandate.

The Board therefore proposes to seek a mandate from the shareholders of the Company to enable the Group to enter into recurrent related party transactions without the necessity of making the otherwise required announcement and approval.

The Proposed Shareholders' Mandate will, if approved by the shareholders at the forthcoming Sixteenth AGM, apply in respect of the Recurrent Transactions to be entered into as set out in Section 2.3 of this Circular and shall take effect from the date of the forthcoming Sixteenth AGM, and shall continue to be in force until:-

- i) the conclusion of the next AGM of the Company following the forthcoming Sixteenth AGM, at which the ordinary resolution for the Proposed Shareholders' Mandate is passed, at which time it will lapse, unless by a resolution passed at the meeting, the Proposed Shareholders' Mandate authority is renewed;
- ii) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 340(2)(6) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- iii) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is earlier.

Thereafter, approval from the shareholders for renewal of the mandate will be sought at each subsequent AGM of the Company.

All Recurrent Transactions are reviewed and authorized by 2 personnel of at least managerial level holding a senior position or director, provided always that such personnel has no interest in the transaction. A listing of all Recurrent Transactions concluded will be tabled to the Audit and Risk Management Committee and noted/approved by the Board at least on a quarterly basis;
- viii) disclosure will be made in the Company's annual report on the breakdown of the aggregate value of transactions made pursuant to the shareholders' mandate during the financial year and in the annual reports for the subsequent financial year during which a shareholders' mandate is in force, amongst others, based on the following information:
 - a) type of the transactions made; and
 - b) the names of the Related Parties involved in each type of the transactions made and their relationship with the Group; and
- ix) any member of the Audit and Risk Management Committee may, as he deems fit, request for additional information pertaining to recurrent related party transactions from independent sources or advisers.

2.5 Amount due and owing by the Related Parties

As at FYE and LPD, there is no outstanding amount due and owing by the Related Parties which have exceeded the credit term.

2.6 Audit and Risk Management Committee Statement

The Audit and Risk Management Committee has seen and reviewed the guidelines and procedures in Section 2.4 of this Circular and are of the view that the said guidelines and procedures are sufficient to ensure that the Recurrent Transactions are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The Audit and Risk Management Committee of the Company is also of the view that the Group has in place adequate procedures and processes to monitor, track and identify Recurrent Transactions in a timely and orderly manner. The Audit and Risk Management Committee's review of these procedures and processes will be conducted on a quarterly basis together with the review of quarterly results, or such frequency as the Audit and Risk Management Committee considers appropriate having regard to the value and the frequency of the Related Part Transactions.

3. RATIONALE OF THE PROPOSED SHAREHOLDERS' MANDATE

The Recurrent Transactions entered or to be entered into by the Group with the Related Parties are all in the ordinary course of business. They are recurrent transactions of a revenue or trading nature, which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case to case basis before entering into such related party transactions. Therefore, the Board is seeking an approval from the shareholders for the Proposed Shareholders' Mandate pursuant to Paragraph 10.09 of the Listing Requirements to allow the Group to enter into such Recurrent Transactions made on an arm's length basis and on normal commercial terms.

The obtaining of shareholders' approval for the Proposed Shareholders' Mandate and the renewal of such approval on an annual basis would eliminate the need to convene separate general meetings from time to time to seek shareholders' approval and when potential Recurrent Transactions with the Related Parties arise, thereby reducing substantially administrative time, inconvenience and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the Group.

The Recurrent Transactions of a revenue or trading nature undertaken within the Group are mainly to support its day-to-day operations. The Related Parties are both good customers and reliable suppliers and the transaction prices are determined by way of negotiation in the ordinary course of business and upon normal commercial terms.

The Recurrent Transactions are expected to enhance the Group's business operations via the established relationship between the Group and the Related Parties. Such relationship will also ensure that HLG Group will continue to have support of procurement of goods and services of required quality and likewise, ensuring its products and services meet its customers' requirements.

4. FINANCIAL EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

As the Recurrent Transactions are carried out in the ordinary course of business and on normal commercial terms which are not more favourable to the Related Party than those generally available to the public, the effect of such transactions on the EPS and NA per share of HLG Group and share capital in HLG is not expected to be different from similar transactions with a non-related party. Accordingly, the Proposed Shareholders' Mandate is not expected to have any effect on the issued and paid-up share capital of HLG and NA per share and EPS of the HLG Group.

5. APPROVAL REQUIRED

The Proposed Shareholders' Mandate is subject to the approval being obtained from the shareholders of HLG at the forthcoming Sixteenth AGM of the Company.

6. DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS

The Directors and Major Shareholders as named below, are interested in the Proposed Shareholders' Mandate as they are also Directors and/or Major Shareholders of the related companies/businesses as set out in Section 2.3 of this Circular.

To: The Shareholders of **HLG**

Dear Sir/Madam,

PROPOSED SHARE BUY-BACK

1. INTRODUCTION

On 17 October 2018, the Board had announced to Bursa Securities that the Company proposes to seek shareholders' approval for the purchase by HLG of up to 10% of its own total number of issued shares at any point of time.

The purpose of this Statement is to provide the shareholders of HLG with the relevant information on the Proposed Share Buy-Back, as well as to seek the approval from the shareholders of HLG for the resolution pertaining to the Proposed Share Buy-Back to be tabled at the forthcoming Sixteenth AGM of the Company. The notice of Sixteenth AGM and the proxy form are enclosed in the Annual Report 2018.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK

2.1 Quantum

The Board proposes to seek the shareholders' approval for the authority to purchase the Company's own shares of up to 10% of the total number of issued shares of the Company as at the time of purchase. As at the LPD, the total number of issued shares of the Company is 400,400,004 ordinary shares.

The Proposed Share Buy-Back is subject to compliance with Section 127 of the Act, the Listing Requirements and any prevailing laws, guidelines, rules and regulations issued by the relevant authorities at the time of purchase.

The actual number of HLG Shares to be purchased and the timing of any purchase would depend on, inter-alia, the prevailing market conditions and sentiments, the availability of the retained earnings of the Company, as well as the financial resources available to the Company at the time of purchase.

2.2 Timeframe

The Proposed Share Buy-Back would be effective immediately upon the passing of the ordinary resolution relating to the Proposed Share Buy-Back at the Sixteenth AGM of the Company to be convened and shall be valid until:-

- i) the conclusion of the next AGM of the Company following the forthcoming Sixteenth AGM, at which the ordinary resolution for the Proposed Shareholders' Mandate is passed, at which time it will lapse, unless by a resolution passed at the meeting, the Proposed Shareholders' Mandate authority is renewed;
- ii) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 340(2)(6) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- iii) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is earlier.

The shareholders' approval for the Proposed Share Buy-Back does not imposed an obligation on the Company to purchase its own shares on Bursa Securities. Rather, the Proposed Share Buy-Back will allow the Board to exercise the powers of the Company to purchase its own ordinary shares at any time within the abovementioned time period.

2.3 Purchase Price

Pursuant to the provision of the Listing Requirements, the Company may only purchase its own shares at a price which is not more than fifteen (15%) above the weighted average market price of HLG Shares for the five (5) Market Days immediately before the date of any purchase(s).

2.4 Resale or Transfer Price

In the case of a resale or transfer of treasury shares, the Company may only resell or transfer the treasury shares at:-

- i. a price which is not less than the weighted average market price of HLG Shares for the five (5) Market Days immediately before the resale; or
- ii. a discounted price of not more than five percent (5%) to the weighted average market price of HLG Shares for the five (5) Market Days immediately before the resale or transfer, provided that:-
 - a) the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - b) the resale or transfer price is not less than the cost of purchase of the HLG Shares being resold or transferred.

2.5 Source of funds

The maximum funds to be utilised for the Proposed Share Buy-Back shall not exceed the aggregate of the retained profits of the Company. Based on the latest audited financial statements for the financial year ended 30 June 2018, the retained profits of the Company amounted to RM18,963,359.

The Company proposes to utilise internally generated funds and/or bank borrowings to finance the Proposed Share Buy-Back. The amount of internally generated funds and/or bank borrowings to be utilised will only be determined later depending on the availability of internally generated funds and/or bank borrowings at the time of the purchase(s), actual number of HLG Shares to be purchased and other cost factors. Should the Proposed Share Buy-Back be financed through bank borrowings, the Company will ensure that it will have sufficient funds to repay such borrowings as and when they fall due. The Proposed Share Buy-Back is expected to reduce the cash flow of HLG Group.

2.6 Treatment of the Purchased Shares

Pursuant to Section 127(4) of the Act, the Directors of the Company may deal with the HLG Share purchased pursuant to the Proposed Share Buy-Back (**“the Purchased Shares”**) in the following manner:-

- (i) cancel the Shares so purchased;
- (ii) retain the Shares so purchased in treasury which is referred to as “treasury shares”; or
- (iii) retain part of the Shares so purchased as Treasury Shares and cancel the remainder of the Shares.

Accordingly, based on Section 127(7) of the Act, where such Shares are held as treasury shares, the Directors may, at their discretion:

- (i) distribute the Shares as dividends to the shareholders, such dividends to be known as “shares dividends”;
- (ii) resell the Shares or any of the Shares in accordance with the relevant rules of Bursa Securities;
- (iii) transfer the Shares or any of the Shares for the purposes of or under an employees’ share scheme;
- (iv) transfer the Shares or any of the Shares as purchase consideration;
- (v) cancel the Shares or any of the Shares; or
- (vi) sell, transfer or otherwise use the Shares for such other purposes as the Minister charged with the responsibilities for companies, currently the Minister of Domestic Trade, Co-operatives and Consumerism, Malaysia may by order prescribe.

Upon each purchase of the Shares pursuant to the Proposed Share Buy-Back, an immediate announcement will be made to Bursa Securities in respect of the intention of the Board to either retain the Purchased Shares as treasury shares or cancel them or a combination of both. An immediate announcement will also be made to Bursa Securities of any resale or cancellation of Shares so purchased. As at the date of this Statement, the Board has yet to make any decision with regards to the treatment of the Shares so purchased in the future.

Where the Board resolves to cancel the Shares so purchased or cancel any treasury shares, the Company’s issued share capital shall be diminished by the cancellation of the Shares so purchased and the costs of the shares shall be applied in the reduction of the profits otherwise available for distribution as dividends. It is pertinent to note that the cancellation of Shares made pursuant to Section 127(4)(a) or Section 127(7) of the Act shall not be deemed to be a reduction in share capital within the meaning of the Act.

2.7 Ranking

In the event that the Purchased Shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in other distributions or otherwise would be suspended and the treasury shares shall not be taken into account in calculating the number or percentage of Shares for any purposes including, without limiting the generality of Section 127 of the Act, the provisions of any law or requirements of the constitution of the Company or the

Listing Requirements on substantial shareholdings, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

2.8 Public Shareholding Spread

Based on the Record of Depositors of the Company as at LPD, the public shareholding spread was 28.73%. The public shareholding spread of the Company is above 25%, as required under Paragraph 8.02(1) of the Listing Requirements.

2.9 Potential advantages and disadvantages

The potential advantages of the Proposed Share Buy-Back to the Company and its shareholders are as follows:-

- i. The Proposed Share Buy-Back will enable the Company to take preventive measures against speculation, particularly when the shares are undervalued and this would, in turn, stabilise the market price of HLG Shares and hence, enhance investors' confidence;
- ii. The Proposed Share Buy-Back will provide the Company the flexibility in achieving the desired capital structure, in terms of debt and equity composition and size of equity;
- iii. The Proposed Share Buy-Back will provide the Company opportunities to increase its financial resources if the Purchased Shares which are retained as treasury shares are resold at prices higher than the purchase prices;
- iv. The Proposed Share Buy-Back allows the Company to utilise its surplus financial resources to purchase the HLG Shares to enhance the value of shareholders' investments in the Company if there are no immediate use of the financial resources; and
- v. In the event the Treasury Shares are distributed as share dividends by the Company, it will serve to reward the shareholders of the Company.

The potential disadvantages of the Proposed Share Buy-Back to the Company and its shareholders are as follows:-

- i. The Proposed Share Buy-Back will reduce the financial resources of HLG, which may result in the Company foregoing other investment opportunities that may emerge in the future;
- ii. The Proposed Share Buy-Back will result in reduction of financial resources available for distribution to shareholders in the immediate future whereby the funds can only be made out of retained earnings of the Company.

Nevertheless, the Proposed of Share Buy-Back authority is not expected to have any potential material disadvantages to the Company and its shareholders, as any share buy-back will be undertaken only after in-depth consideration of the financial resources of HLG and the resultant impact on its shareholders. The Board, in exercising any decision in implementing the Proposed Share Buy-Back will be mindful of the interests of the Company and its shareholders.

3. RATIONALE AND JUSTIFICATIONS FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back, if implemented, will enable the Group to utilise its financial resources that it has no immediate usage and is expected to stabilize the supply and demand of HLG Shares in the open market and ultimately as well as the market price of HLG Shares.

4. EFFECTS OF THE PROPOSED SHARE BUY-BACK

For illustration purposes, the effects of the Proposed Share Buy-Back shall be based on the two (2) scenarios:

- Minimum Scenario:**
- (i) Assuming none of the outstanding Warrants are exercised into new HLG Shares prior to or on the date of Share Buy-Back

- Maximum Scenario:** (i) Assuming all of the 36,400,000 outstanding Warrants are exercised into 36,400,000 new HLG Shares at an exercise price of RM1.56 each prior to or on the date of Share Buy-Back

4.1 Total number of issued shares

The proforma effects of Proposed Share Buy-Back on the total number of issued shares of the Company are set out below:

	Minimum Scenario No. of Shares	Maximum Scenario No. of Shares
Total number of issued shares as at the LPD	400,400,004	400,400,004
Less: Treasury shares	0	0
	<hr/> 400,400,004	<hr/> 400,400,004
Shares to be issued assuming full exercise of the Warrants	0	36,400,000
	<hr/> 400,400,004	<hr/> 436,800,004
Proposed Share Buy-Back	40,040,000	43,680,000
Total issued shares after the Proposed Share Buy-Back	<hr/> 360,360,004	<hr/> 393,120,004

The proforma effects of the Proposed Share Buy-Back on the resultant total number of issued shares of the Company will depend on whether the Purchased Shares are cancelled or retained as treasury shares. The above illustration assumes that the Purchased Shares are cancelled. Nevertheless, if the Purchased Shares are retained as treasury shares, resold or distributed to its shareholders, the Proposed Share Buy-Back will have no effect on the existing total number of issued shares of the Company.

4.2 NA per Share and gearing

The Proposed Share Buy-Back may increase or decrease the NA per HLG Share depending on the purchase price of the Shares bought back in comparison to the NA per HLG Share at the time that the Shares are purchased.

If the Treasury Shares are distributed as share dividends, the NA per HLG Share will decrease by the cost of the Treasury Shares at the point of purchase.

In the event the Purchased Shares which are retained as Treasury Shares are resold, the NA per Share of the Group will increase or decrease depend on whether a gain or a loss is realised upon the resale. However, the quantum of the increase or decrease in NA per HLG Share will depend on the actual selling price of the Treasury Shares and the number of Treasury Shares resold on Bursa Securities.

4.3 Earnings and EPS

The Proposed Share Buy-Back may increase or reduce the EPS of the Group, depending on the number of and prices paid for the Purchased Shares, the effective funding cost to HLG to finance the purchase of such Shares, or any loss in interest income to HLG or opportunity cost in relation to other investment opportunities.

Assuming that the Purchased Shares are retained as Treasury Shares and subsequently resold, the extent of the effects on the earnings of the Group will depend on the actual selling price, the number of treasury shares resold and the effective gain arising from the exercise.

If the Purchased Shares are cancelled, the Proposed Share Buy-Back shall increase the EPS of the Group provided that the income forgone and interest expense incurred on the Purchased Shares are less than the EPS before the share purchase.

4.4 Dividends

The Proposed Share Buy-Back authority is not expected to have any impact on the dividend payment as the Board will take into consideration the Company's profit, cash flow and the capital commitments before proposing any dividend payment. However, the Board will have the option of distributing the treasury shares as share dividends to the shareholders of HLG, subject to Section 131(1) of the Act, where a company may only make a distribution to the shareholders out of profits of the company available if the company is solvent.

4.5 Convertible Securities

As at the LPD, the Company has issued Warrants of 36,400,000 whereby each Warrants shall give the holder an option to subscribe for one (1) new HLG Share.

As at the LPD, the Company does not convert any warrant into new HLG Shares.

4.6

Substantial Shareholders' and Directors' Shareholding

Assuming HLG acquires the full amount of HLG Shares during the implementation of the Proposed Share Buy-Back and there is no change in the number of Shares held by the substantial shareholders and/or Directors of HLG as at LPD, the effect of the Share Buy-Back on the percentage shareholdings of the substantial shareholders and/or Directors of HLG is as follows:

However, an exemption may be sought from the Securities Commission by the affected Director or Major Shareholder under Section 219 the CMSA before a mandatory offer obligation is triggered.

However, it is not the intention of the Company to cause any shareholder to trigger an obligation to undertake a mandatory general offer under the Code. The Company will be mindful of the above implications of the Code in making any purchase of its own shares pursuant to the Proposed Share Buy-Back.

7. APPROVAL REQUIRED

The Proposed Share Buy-Back is subject to the approval being obtained from the shareholders of the Company at the forthcoming Sixteenth AGM.

8. INTEREST OF DIRECTORS, SUBSTANTIAL SHAREHOLDER AND/OR PERSONS CONNECTED TO THEM

Save for the inadvertent increase in the percentage shareholdings and/or voting rights of the shareholders of the Company as a consequence of the Proposed Share Buy-Back as set out in Section 4 above, none of the Directors, substantial shareholders of HLG and/or persons connected to them has any interest, direct or indirect, in the Proposed Share Buy-Back or resale of the Treasury Shares, if any in the future.

9. DIRECTORS' RECOMMENDATION

The Board, having considered all aspects of the Proposed Share Buy-Back, is of the opinion that the Proposed Share Buy-Back is in the best interest of the Group after taking into consideration the rationale and justifications for the Proposed Share Buy-Back as well as the effects of the Proposed Share Buy-Back as set out in Sections 3 and 4 of this Circular, respectively. Accordingly, the Board recommends that the shareholders of HLG to vote in favour of the resolution pertaining to the Proposed Share Buy-Back at the forthcoming Sixteenth AGM of the Company.
